

D1NR Boat Crew Qualification Program Training Aid

Coxswain Qualification Checklist:

Items That Must Be Completed Prior To Dockside Oral Examination/Underway Check Ride

Mentors may use this list to help insure that a candidate has completed the necessary items prior to the dockside oral examination with a QE. Show the completed list to the QE to make prerequisite checking easier and faster.

Candidate Name: _____ Member #: _____ Flotilla: _____

	Task	Description	Who Knows?	Who signs?
<input type="checkbox"/>	----	Insure current coxswain qualification guide is being used (COMDTINST M16794.53A)	Check printed guide revision	No signature location.
<input type="checkbox"/>	COX-01-01-AUX	28 hours underway as crew	AUXDATA, POMS printed orders, and candidate	QE signs this task given some evidence.
<input type="checkbox"/>	COX-01-02-AUX	IS100, IS200, IS700, IS800; plus IS210 or IS300 ICS courses (must be reported manually by candidate to Cape Cod DIRAUX office for AUXDATA entry)	AUXDATA	Mentor signs task. Make sure candidate has reported results to Cape Cod office.
<input type="checkbox"/>	COX-04-01-AUX	Navigation Rules initial examination (series 70 proctored closed book examination)	AUXDATA or other completion letter	QE signs this task given some evidence. Must be series 70.
<input type="checkbox"/>	COX-09-03-AUX	Operations Policy and National SAR Plan open-book written exam	completion letter or other evidence of exam results	Mentor signs task.
<input type="checkbox"/>	All mentor tasks	COX-01-01-AUX through COX-09-04-AUX	Signatures in qualification guide	Mentor checks that all is done.
<input type="checkbox"/>	----	Candidate is ready.	FC (or FSO-MT or FSO-OP), mentor(s), and candidate all concur	No signature location.

When the above is all complete, a dockside oral examination (COX-09-05-AUX) can be scheduled with a QE. When the dockside oral examination is complete, an underway check ride (COX-09-06-AUX) can be done with a QE.
